Travel Photographer Jonathan Adams to Speak at September 15th Meeting

The Creative Camera Club is proud to welcome Jonathan Adams as the speaker for our September 15th meeting. This is a meeting you will not want to miss! Adams will focus his presentation on travel photography and the tips and tricks he's discovered while traveling around the world. He will share his experience about a project he shot in Colombia, South America and his most recent trip that took him to Southeast Asia including Myanmar (Burma) and Vietnam.

About Jonathan Adams

Adams has been a photographer for more than 20 years working for newspapers and running his own business. He graduated from Western Kentucky University with a BA in Photojournalism and from Ohio University in Athens, Ohio with a MA in Photography.

He has spent the majority of his career working out of Jackson Hole, Wyoming where he worked for the Jackson Hole Guide as Chief Photographer.

In 1999, Adams quit his job to spend a year traveling around the world, and ever since his passion of photography and travel has taken him to more than 35 countries documenting the various cultures.

When home, he resides in a log cabin up a long holler on a lake in Eastern Kentucky. Currently, he is living in Bowling Green teaching photography as Visiting Professional-in-Residence.

Annual Print Show

The Wild Card category for the Annual Print Show is "Food." The "Creative" category has become a permanent category. The Annual Print Show will be held at the Living Arts and Science Center on Martin Luther King Blvd. Tentative schedule is drop off/hang on Nov 5, meeting with judging Nov.10, pickup on Jan. 14. Gallery Hop will be Nov 18th. Stay tuned - more details to come.

For rules regarding your entries, please refer to the "Print Competition Rules" in the "Compete" section of the CCC website. To pull up the current version of the website, go to www.creativecameraclub.org. In addition to those rules, note that specifications regarding "Size of Prints" MUST be adhered to, with no exceptions. The maximum glass size is 16"x24", or its equivalent, which is 384 square inches, with the longest dimension being 36". A print with 18"x24" glass size is not eligible for the show, despite a couple of them being inadvertently accepted in last year's event. We will check measurements closely and will refuse any prints that do not meet the size requirements.

October CCC Exhibit at St. Joe East

We've been invited to exhibit once more at St. Joseph Hospital (East). John Snell will collect the prints at the First Thursday meeting on October 6th. *You must contact John beforehand* (john@johnsnellphoto.com or 859.229.6033) to sign up for the exhibit.

The work will be on display from October 13th until the first week of December. There is room for 10 prints to be exhibited. The theme for this exhibit is "Autumn." Please choose images that will be suitable for a healing environment...uplifting, colorful, etc.

The prints cannot be wider than 24" (including frame), but they may be taller than 24". This is due to the limited linear wall space we're provided. Prints may be framed in metal or wood, or may be on canvas or metal. Limit one print per person.

One Day Outing at Carter Caves State Park

Join fellow CCC members for a day of outdoor sightseeing and photography on Saturday September 17th at Carter Caves State Resort Park <http://parks.ky.gov/parks/resortparks/carter-caves/>

Carter Caves is a 1 ½ hour drive from Lexington. Available at the park are short and long trails, woods, water, rock formations, natural arches, caves, a visitor center, the park lodge, picnic areas and a restaurant to enjoy.

Optional, for a \$10 fee per person we have arranged in the afternoon a naturalist led cave tour of Cascade Cave with tripods allowed. If you would like to stay informed of the trip plans and have not yet put your name on the sign-up sheet, please email ruth.oremus@uky.edu or parham@parhampbaker.com. Cascade Cave is the longest scenic cave tour, noted for its large chambers and many beautiful cave formations. A highlight of the tour is a 30-foot high underground waterfall as well as the Lake Room's reflecting pool, the Cathedral in North Cave, and the Dance Hall where a previous owner held weekly dances.

ROBERT C. MAY PHOTOGRAPHY LECTURE SERIES: JUDY LINN
Oct. 21 2016, 4:00 pm

Gatton Building, Kincaid Auditorium

Judy Linn is best known for the photographs she made between 1969 and 1976 of the soon-to-be-famous Patti Smith and friends, including Robert Mapplethorpe and Sam Shepard, in New York. Since then, she has built a body of work rooted in wry observation and subtle juxtapositions.
